Winter Sports Registration Open

Registration for winter sports (alpine skiing, snowshoeing and basketball-5 levels from skills to 5v5 full court) is now open. Click here to register. NOTE: If an athlete has never participated in SOHO basketball before, they should register as NEW. If you do not receive an email confirmation after registering, call the office at 410-740-0500 to ensure that you are registered. Remember that athletes must have a valid medical on file prior to the sport season in order to be able to participate in any sport.

Basketball Assessments and Level of Play
Athletes who did not play basketball last year AND have registered online as "New to Basketball" for this coming season must attend assessments at Harper's Choice Middle on Wednesday, December 3rd from 6:30 - 8:00 p.m. After the assessment, the coaches will determine the appropriate level-of-play for each athlete. If an athlete played basketball for SOHO last season and would like to be considered for another level, the athlete needs to contact their coordinator to see if attending the assessment is necessary. Returning athletes may also be contacted by their coordinator if a level change for this coming season was determined appropriate based on last year's play. During January practices, level-of-play adjustments may still be made based on practice performance. The goal is to achieve the highest level of safe and meaningful level-of-play for all athletes and teams.
For two days, the weather was perfect and the golf fantastic. This year's Corridor Golf Open and Invitational was huge success raising $35,000 for the Howard County and Carrol County Special Olympics programs. This event and the unwavering support from Corridor Mortgage and their leadership have been critical to our program. In addition, having our athletes and their family and friends be able to participate in this top-notch tournament is just an added way to give our athletes continued opportunities to develop physical fitness, demonstrate courage, experience joy and participate with other athletes others in their community. We are very grateful to Corridor Mortgage and its employees for their continued commitment to our athletes as well as the Waverly Woods Golf Course who has hosted the tournament since its inception. A huge thank you to Corridor President Jerry Rader and Leadership Committee Chris Sittig, Dave Hudson, Ron Mason and Kerry Fitzpatrick.

URGENT: Basketball 3v3 Player Development Coordinator Needed

As many of you know, each of our sports is led by a parent coordinator. Without a coordinator in place, we cancel the sport for the season until someone is willing to take on this critical position within our organization. Currently, we are still seeking someone to take on the Basketball 3v3 Player Development coordinator position. If you want to see the great player development program continue, please contact Bob Baker ASAP at bobbaker@somdhc.org.

Volunteer Spotlight: Mimi Goodman

Do you enjoy the photos you see on our Smugmug page? (http://www.somdhc.smugmug.com/) The majority of these great shots have been taken by Mimi Goodman who has been taking photographs of our athletes at competitions since 2007. She has volunteered countless hours capturing the essence of our athletes striving to achieve their personal best and enjoying themselves. These wonderful photos provide great memories for everyone. Thank you, Mimi, for your time and talent!

Some recent examples of her work is from our October 11th Volleyball Tournament. Click on Team Photos or Action Photos. Hal Rummel and Dan Sterne also contributed to the volleyball photos.

Athlete Medical Application Reminder

All athletes must have a valid medical form in order to participate in Special Olympics Howard County programs.
These forms must be updated every three years. If you are not sure when a medical expires, you can send an email to info@somdhc.org or call the SOHO office. Try to schedule your doctor’s appointment in plenty of time so not to jeopardize an athlete’s participation.

Volunteer Forms - Need to Update?

All volunteers must update their volunteer application every three years. There is no need to attend another orientation but the application must be updated.

The next Volunteer Orientation will be held on Thursday, November 13th from 7:00-8:30 p.m. at the SOHO office. FACT: Thanks to Unified Sports®, people with and without intellectual disabilities compete on the same team. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding. Traditional unified teams are made up of people of similar age and ability, which makes practices more fun and games more challenging and exciting for all. Having sport in common is just one more way that preconceptions and false ideas are swept away. The Unified Sports concept has grown to include player development unified where the non-Special Olympics teammate helps facilitate play in a non-dominant role. Recreational Unified sports opportunities are just that, roll out the ball, pick teams and go play. These programs allow for broader participation and contribute to helping build more inclusive communities of dignity and respect. #PlayUnified
