Registration for Spring Sports Open

Registration for spring sports (aquatics, beginner aquatics, athletics, bocce, cheerleading, equestrian, and softball) is now open. Complete the registration by clicking here. If you do not receive an email confirming your registration, please contact Janet in the SOHO office.

Athletes must have a current medical form on file before the sport season begins. These forms must be updated every three years. If you are not sure when a medical expires, you can send an email to info@somdhc.org or call the SOHO office. Try to schedule your doctor's
appointment in plenty of time so not to jeopardize an athlete's participation.

Support the 14th Annual Inspiration Walk

Inspiration Walk is our primary fundraiser and critical to our raising the funds needed to provide sports training and competitions for over 650 athletes. On average, it costs approximately $275 per athlete for each sport. Individuals can begin their fundraising efforts by creating their own page. Click here. Athletes may also link their individual pages to a team in which they participate to see which sport raises the most funds. The volleyball team raised the most funds in the 2014 Inspiration Walk ($17,610) and won a pizza party at the end of the season. In addition, general donations can also be made by clicking here.

We are also looking for corporate and business sponsors. Sponsors levels are:

- Legacy Sponsor - $5,000.00
- Team Sponsor - $2,500.00
- Gold Medal Sponsor - $1,000.00
- Silver Medal Sponsor - $500.00
- Bronze Medal Sponsor - $250.00

Team and Gold Medal sponsors will have their logo on the Walk t-shirt and Silver Medal sponsors will be listed on the walk T-shirt if received by March 1st.
If you have any leads for sponsors or are interested in being a sponsor yourself, please send an email to info@somdhc.org.

Watch your mail in early March for the Inspiration Walk brochures.

Coordinator and Coaching "Retirements"

Sports coordinators are the core of our program and help us to provide training and competition in 19 sports programs. This model that we developed has been a model for other Special Olympics Maryland county programs. This year, we are saying goodbye to several coordinators who have been in their positions for many years.

With the close of the bowling season, we bid a fond adieu to bowling coordinator Sandy Schoenbrodt (20 years) and assistant coordinator Sheila Dwyer (14 years). They have been responsible for the sport with the most athletes (128) at any single location. Replacing them next year will be Connie Landeros, Franco Frande and Janet Zahn.

Karen Thiem is stepping down as the Bocce Coordinator. Karen and Coach Abby Penenburgh have built the bocce program from its infancy, and we are grateful for her hard work and dedication since becoming a volunteer in 2001! This coordinator position is OPEN.

Finally, Clyde Wrathall is leaving the softball program. Clyde is a very special part of the SOHO history. He

was one of the four parents that set the goals and strategy to build the program in 1998. As part of the original Executive Management Team, he helped shape the direction and growth of our organization. He coached soccer and then softball where he served as both the coordinator and the coach, and was an integral part in building the annual Softball Invitational at Kiwanis Wallas Park which brings over 400 athletes and volunteers for a great day of competition in our county. We will miss his leadership but know that we will see him about as Matt continues to participate in other sports programs.

Our heartfelt thanks to these individuals who have given so generously of their time and talent to make our program what it is today. This head coaching position is now OPEN.

Individuals interested in either of these two positions can email Bob Baker (bobbaker@somdhc.org) or info@somdhc.org.

Inclement Weather Policy

We have already had some practices that had to be cancelled due to inclement weather. Remember that if Howard County Public Schools are closed, we will not have practice. We will post cancellations on our web page under Practice Announcements and on the calendar, on our Facebook page, on Twitter (see sidebar about following us on Twitter), and on the office message system. Coordinators may also send out an email to their sport's alias. We will do our best to give everyone plenty of notice, but sometimes the weather conditions may change rapidly. Since everyone lives all over the county and weather conditions may vary, always use your best judgement keeping safety in mind. If practices are not cancelled but you can't make it, be sure to contact your coordinator to let him/her know that you will not be at practice due to the weather.

Volunteer Orientation Dates and Form

The next Volunteer Orientations will be held on February 5th and March 19th from 7:00-8:30 pm at the SOHO office. Anyone interested in volunteering must attend a volunteer orientation, complete a volunteer application and an on-
line Protective Behaviors Course. Parents are highly encouraged to attend an orientation.

For more information, contact Volunteer Coordinator Janet Larrimore. (JanetandWalter@comcast.net). The next orientation is scheduled for April 8th.

Volunteers must update their volunteer application every three years. There is no need to attend another orientation, but the application must be updated.
