World Games in Los Angeles Coming Up
Good Luck SOHO Athlete Ben Stevick!!
Catherine Gruss on ESPN July 23 at 9pm!!

Six athletes will represent Maryland at the 2015 Special Olympics World Games in Los Angeles later this month. Abby Reznik (Prince George’s County) in aquatics; Alicia Gogue (Anne Arundel County) in cycling; Eddie Murphy (Queen Anne’s County) in cycling; Terrel Limerick (Montgomery County) in sailing; Chris Dooley (Caroline County) in kayaking; and Ben Stevick (Howard County) in equestrian.

Robin Roberts from ABC and ESPN sent a crew to interview Catherine Gruss about an impactful experience she had regrading Healthy Athletes and how that changed her life. Once here however the story changed and another side of Catherine came out. That of a fierce competitor. Though she is not attending the World Games her story highlights the impact of Healthy Athletes for athletes here in Maryland but also around the world. Click here to read the article that came out of the interview.

ESPN also came to Maryland in May to spotlight Alicia Gogue who will be part of Special Olympics USA in Los Angeles. Twelve hours of shooting in 4-5 different venues resulted in this short teaser piece. The actual piece will be longer.

Tune in for the Countdown to the Special Olympics World Games with Robin Roberts which airs Thursday, July 23rd at 9:00 p.m. ET on ESPN and Saturday, July 25th on ESPN and ABC including stories and appearances by Special Olympics Maryland athletes Terrel Limerick and Catherine Gruss.

SOHO Unified Partner Melanie Watt, one of the Marlins coaches, introduced the SOHO athletes to the Marlins. Unified Partner Brandon Lowe also joined in the event. Thanks to the Long Reach Marlins for your support!
Aquatics Coordinator thanks Long Reach Marlins as athletes Jason Kauffman and Wendy Jimenez accept their $1,000 donation.

Need for Coordinators

SOHO is run by many volunteers. Critical to running our organization are the Coordinators that are responsible for each of our 19 sports programs and the Motor Activities Training Program. Coordinators do not coach the sport but rather ensure that that sport program runs smoothly. Jobs include ensuring a training facility/site, monitoring athlete registration and medicals in that sport, keeping track of athlete and volunteer attendance, setting the training schedule, and other important tasks. All Coordinators receive training from our Head Coordinator, Russ Young, prior to the sport season, and attend monthly management team meetings during their sport season.

This is a critical position without which we cannot run a sport and our policy has been that if we cannot find a coordinator for a sport, that sport will not be offered that season or until a coordinator can be found. We are extremely grateful for the coordinators we have, some of which have been coordinators for as much as 20 years!

We have a number of Coordinator positions open this fall that must be filled:
Volleyball Player Development Team Coordinator
Soccer - Player Development Team and Traditional Team

If you are interested in any of these positions or want further information, please contact info@somdhc.org.
Sponsor Spotlight: Harwood House Thrift Shop

Since 2001, the Harwood House Thrift Shop, part of the Damascus United Methodist Church, has donated over $14,000 to the athletes of Special Olympics Howard County. Our connection to this great sponsor began with Emily Snapp’s grandmother, Jane Snapp. She wanted to help Emily and our program and she was instrumental in having the Harwood House direct donations to SOHO. Thank you Harwood House and Jane Snapp!!

Prize Winning Athlete Enjoys Orioles Game

Glenn Donovan, one of the top fundraisers of this year’s Inspiration Walk, enjoys his prize of four Oriole tickets with his Mom, Colleen, and Meaghan and Tricia Hyer. The tickets were donated by E.J. Dwyer Co., Inc. of Annapolis Junction who have donated four Orioles tickets as an incentive prize for all of our walks. According to Colleen, “It was a beautiful night for a game and the Orioles had an awesome game. We had a fabulous time.”
