Towson University Swim Team Conducts Swim Clinic with Special Olympics Athletes

Several SOHO aquatics team members joined other SOMD swimmers from around the state for three swim clinics hosted by the Towson University in the fall. The classes were instructed by students on the Towson University swim team, two Towson swimmers to one Special Olympics swimmer. Each class focused on a different stroke and swimmers also worked on flip turns and starts. On January 9th, the swimmers were invited to the Towson vs. McDaniel swim meet to put on an exhibition. The crowd gave their enthusiastic approval to both SOHO athlete Alex Barnes playing the National Anthem at the start of the event, as well as the Special Olympics swimmers who swam later in the meet. All the athletes received a commemorative medal from their instructors at the end of the season, came away with some good pointers on improving their swimming, and made some good friends.

Giving Tuesday - December 1st - SOMD will receive $20.00.

Concussion Training Required for All Coaches Starting January 1, 2016

Beginning on January 1, 2016, ALL Special Olympics coaches (head coaches and assistant coaches) must complete a concussion training certification process prior to starting coaching. The training helps provide a safer training and competition environment for our athletes.

To meet this requirement, coaches must complete one of two approved courses:
* CDC Heads Up Concussion In Youth Sports (approx. 30 min). CLICK HERE for this online, self-paced course.
* NFHS Concussion In Sports (approx. 45 min)(www.NFHSLearn.com) This COURSE includes much of the same content/video as in the CDC course plus some supplemental material).

Completion certificates or notification of completion should be sent to coaches@somdh.org with a CC: to info@somdhc.org. Be sure to include that you are associated with SOHO. This certification is valid for 3 years. Both courses are offered online and for free. If coaches have not completed this course prior to the season in which they coach, they will not be permitted to coach that season. Not only is this a Special Olympics requirement, but it is a requirement for any organization that is using Recreation and Parks fields.

Medicals Must Be Current

Remember that all athletes must have a current medical on file in order to register and participate in any SOHO activity. These must be updated every three years. Medical forms can be found on our web site. (Click here.) Through December 31st, Righttime Medical Center is offering sports physicals for $20.00, Tuesdays - Thursdays from 10:00 - 3:00. (Regular price is $45.00.) Appointments can be made by calling 888.808.6483 or going to myRighttime.com.

VOLUNTEER SPOTLIGHT: Lavonne Smith

Since her son, Thomas, joined Special Olympics in 2003, we could always count on Lavonne Smith to lend a hand in all the sports in which Thomas participated. For the past ten years, she has undertaken "coordinator" duties in two sports, basketball skills and athletics (i.e., track & field). Coordinators serve a vital role in our organization and Lavonne has demonstrated superb leadership skills planning for and executing two 12 week seasons each year. Her philosophy is for our athletes to have fun while learning the sport and anyone who has ever participated in the basketball skills program, will certainly agree that Wednesdays at Bonnie Branch Middle School is a blast!! Thank you Lavonne for all that you do for the athletes and our organization!!

ATHLETE SPOTLIGHT: Kathleen Anderson

On our web site, it reads "Eligible athletes are all children and adults, at least eight-years-old, with an intellectual disability, a cognitive delay,
or a closely related developmental disability. There is no maximum age limit.” This month, we honor our oldest athlete, Kathleen Anderson, who will turn 79 this year. Kathleen has been with our bowling program for 15 years. Each season, she brings a smile and joy when she arrives at the bowling alley ready to practice and have fun with her fellow athletes. Thank you, Kathleen, for continuing to inspire us all!

SPONSOR SPOTLIGHT: Glenelg Country School

For the past 15 years, SOHO has had a very special relationship with the Glenelg Country School. The use of the school for our basketball program, which has grown over the years, includes having a two day basketball tournament for our skills, 3x3, player development (both 3x3 and 5x5) levels. Their in-kind donation of reduced costs for the use of the gym is valued at approximately $2,500.00 a year. In addition, we have received annual monetary contributions from students' holding fundraisers within the school. GCS students have been active volunteers in many of our sports programs. We are extremely grateful for this partnership and thank the administration, Mr. David Weeks, and the student body for their support of our mission and athletes.

Team Up For 1

Team UP for 1 (TU41) is an organization that connects athletes with disabilities with local sports teams and they are looking for participants from Special Olympics. Click here to check out the TU41 story on Stan "The Fan" Charles' PressBox TV show. They match children, ages four to 18 (and possibly up to age 22), with local high school and college sports teams, promoting a team 'adoption' which turns into team activities, MVP ceremonies and endless Team Up For 1 programs that create a bond between the child/family and the athletes/coaches on the sports team.
