Inspiration Walk 2016

The weather was fabulous and there were lots of activities that helped make our 15th annual Inspiration Walk a big success. Athlete / Volunteer Adam Linker helped emcee the program which included Zumba dancing with Meg Cooperman and the Reservoir High School Madrigals singing the National Anthem. The Oriole Bird, Raven’s Poe, the Hogettes, and the Chick Fil-A cows greeted participants throughout the morning.

Honorary Chairperson County Executive Allan Kittleman and SOMD CEO Jim Schmutz welcomed all the participants who enjoyed many of the great activities such as face painting and crafts by Abrakadoodle and games run by students from Glenelg Country School. There were two photo booths where participants could dress up or have their photo taken with a Prince and Princess. Softball Team sponsor Win Kelly displayed some new cars. Great snacks were provided by our Hospitality Sponsor Wegmans, Canada Dry Potomac, ReThink Water and Jersey Mike’s. Click here for photos from the day. coordinates our powerlifting program and is also a softball coach. Keeping busy in the fall and the spring would be enough for someone but Bill is a believer in keeping our athletes fit so he has dedicated himself to athlete fitness by coordinating a year-round fitness program at Quest Fitness every Thursday night and Sunday afternoon. He encourages any athlete who wants to keep fit to join him and his band of coaches and volunteers to work out on a consistent basis even when an athlete may not be "officially" participating in a sport at that time. Bill goes about his duties quietly, but totally effectively. He has an unfailing good humor and is well-respected by both athletes and parents alike. We thank Bill for his commitment to our athletes and to our program.

Our aquatics program has been very fortunate to have coaches who have been stayed with the sport for many years. This year's Coach of the Year is no exception. Joanne Gales is celebrating her 20th year as an aquatics coach, although initially she began with SOHO as a volleyball coach. She has been a dedicated volunteer to the Sunday morning training sessions even after she got married and built her own family. She is also a volunteer at the Aquatics venue at SOMD Summer Games and is considered essential to that event being successful. We are incredibly grateful to Joanne and her family for sharing her with our athletes.

The Vidmar Family has been able to balance the commitment of career, home, family and has given numerous hours to volunteering for SOHO. Their daughter, Brigit, became an athlete in 2004 and has participated in aquatics, golf, bowling, and athletics. Shortly thereafter, Mom Cindy became the coordinator for Golf. Dad Dan has been a unified partner in Golf and coordinates one of our soccer programs. Brothers Matthew and Brian (this year’s Jackie Burk Memorial Scholarship Award winner) have been Unified Partners in golf and soccer and sister Megan was a Unified Partner in soccer as well. Being part of SOHO is definitely a family affair for the Vidmar Family, this year’s Family of the Year.

Concussion Training Required for All Coaches

Beginning on January 1, 2016, ALL Special Olympics coaches (head coaches and assistant coaches) must complete a concussion training certification process prior to starting coaching. The training helps provide a safer training and competition environment for our athletes.

To meet this requirement, coaches must complete one of two approved courses:

* CDC Heads Up Concussion In Youth Sports (approx. 30 min). CLICK HERE for this online, self-paced course.
has been an eight year volunteer in golf, soccer, and bowling, serving over 450 hours. Brian plans on attending Howard Community College and then attend University of Maryland to study mechanical engineering. Natalie White was the runner-up. She has been a two year volunteer in basketball skills, 3x3 basketball and tennis.

Leandro Conti was awarded the Kathy Lindner Memorial Award. Leandro is a five year volunteer and Unified Partner in basketball, bowling, and soccer serving over 350 total hours. He is also a volunteer for the Allied bowling and softball programs and involved with the Best Buddies program at Atholton High School where he attends.

The Allan Homes Scholarship was presented to River Hill High School senior, Anna Latzko. Anna has been a four year volunteer in aquatics, serving over 200 hours as a coach and Unified Partner. The runner-up was Rachel Lin who has been a three year volunteer in aquatics and one year in bowling.

Congratulations to these outstanding student volunteers, as well as all of our graduating seniors volunteers!

Spring Competitions

NFHS Concussion In Sports (approx. 45 min) (www.NFHSLearn.com) This COURSE includes much of the same content/video as in the CDC course plus some supplemental material).

Completion certificates or notification of completion should be sent to coaches@somd.org with a CC: to info@somdhc.org. Be sure to include that you are associated with SOHO. This certification is valid for 3 years. Both courses are offered online and for free. If coaches have not completed this course prior to the season in which they coach, they will not be permitted to coach that season. Not only is this a Special Olympics requirement, but it is a requirement for any organization that is using Recreation and Parks fields.

To date, over 85 SOHO coaches have completed the training. Way to go!
SOHO held two highly successful competitions this spring to date. Howard Community College was the site for our annual aquatics competition and this year's competition was the largest ever. Four counties participated in the event - 187 athletes from Howard, Montgomery, Prince George's and Frederick counties. Some 34 student volunteers worked the event as well eight officials. Thanks to Aquatics Coordinator Allan Waschak, and all the coaches, volunteers and officials who made this such a great event.

Once again, Wilde Lake High School hosted the athletes competition. Over 100 athletes from four counties participated in the day's events. Global Messenger Raven Cato emceed opening ceremonies. Wilde Lake HS athletic director, Brian Rau, recruited 75 of his varsity and JV athletes to be volunteers for the day and the WLHS cheerleaders led the parade of athletes around the track! Special thanks to Lavonne Smith for planning the event and coach Shirley Duhaney for making all the data entries for each of the heats.

New Powerlifting and Fitness Registration and Attendance Policy

The Fitness and Powerlifting programs have become very popular. While this a great, it is unfortunately becoming more and more difficult to accommodate all the athletes who come out for training. As a result, we have to institute some new participation rules.

Beginning with the fall sports season, athletes who wish to practice at Quest will register online, just like all other sports. For
the fall season, training at Quest will be restricted only to those registered for Powerlifting. Powerlifting will be limited to the first 20 athletes who register during the fall sports registration period. (Registration will open in early June.) Once the maximum number of 20 is reach, athletes signing up for powerlifting will be placed on a wait list. Athletes registered must attend 80% of practices in order to remain on the powerlifting team. Those not registered for powerlifting may not attend just for fitness training.

The Powerlifting season will run from August to October, culminating in state games on October 22nd. There will be no fitness practice during November and December.

Those interested in attending Fitness in the winter sports season (January through March) will have to register during the winter sports registration timeframe. (Registration will begin in September.) Again, this will be limited to 20 participants. Those registering after the limit is reached will be placed on a waiting list.

Athletes who attend less than 50% of the fitness training sessions in a given month will be removed and placed on an inactive list. If an opening becomes available, athletes on the wait list will be invited to participate.

Fitness will again be offered during the spring sports season (April through end of June) and registration will again be required following the same rules as above. Fitness will be closed during July. Athletes not registered for Fitness in either the winter or spring seasons who come to Quest will not be allowed to participate.
We appreciate everyone’s interest in the powerlifting and fitness programs and we are most appreciative of Quest Fitness who have graciously donated their spaces to us since they opened.
