Quest Fitness and Timbers at Troy to be Honored at Celebration of Sports

Quest Fitness and The Timbers at Troy will be honored as this year’s Sponsor of the Year this year’s Department of Recreation and Parks Celebration of Sports on October 17th at Turf Valley Resort.

Since Quest Fitness opened, they have provided facilities for our powerlifting and fitness programs twice a week throughout the year. The value of this in-kind donation is over $126,000. The staff is always welcoming to the athletes, coaches, and families who bring the athletes to the facility.

This year will be our 18th season at The Timbers at Troy Golf Course. The success of our golf program is because we have this terrific facility on which to train. In addition, Timbers has provided
us with a facility to hold a competition each year where over 80 athletes from multiple county Special Olympics programs compete.

The in-kind value of their donation is over $165,000! By practicing and training at these facilities, the community can observe our athletes in a different light and community members become more accepting of those with intellectual disabilities.

Please come out to show our appreciation to these sponsors. Tickets for the Celebration of Sports event are $42.00 and can be purchased [here].

This year’s guest speaker will be sportscaster Scott Garceau. The evening will also feature this year’s Hall of Fame inductees as well as Good Sports Awards.

### Nominations Sought for Good Sports Awards

Nominations are now being accepted for the Good Sports Award which is part of the Celebration of Sports in October. For those of you who have attended the Celebration of Sports event in the past, you will remember that awards were presented to a representative from various county sports programs in these categories - Officials, Youth Sports Coach, Youth Player (under 18), Adult Player (18 and older), Official, and Sports Administrator. Each sports organization is allowed to submit one name in each category from their program. We would like to once again contribute a Special Olympics nominee in each of those categories.

If you would like to nominate someone in one of these categories, please send Bob (bobbaker@somdhc.org) or Marilyn (marilynmiceli@somdhc.org) the name of any individual in each of the categories that you would like us to consider for our Special Olympics representative nominee. Provide the name and sports participating in along with a short (100 words or less) write up describing why your nominee should be selected for the award. The nominee should be evaluated in the following categories: Honor, Civility, Leadership, Teamwork, Sportsmanship, and Respect. The deadline to submit the nomination to us is August 15th.

Last year, SOHO had four individuals receiving some of these awards

SOHO Night at Camden Yards

On July 21, Special Olympics athletes and guests enjoyed a very hot evening at Camden Yards to watch the Orioles take on the Houston Astros. Despite a 5 run comeback in the bottom of the ninth inning, the Orioles lost 8 to 7. Fireworks after the game ended the evening on bright note and a good time was had by all!

Columbia Neighborhood Swim Teams Support SOHO Swim Program

Again this summer, a number of Columbia Association Columbia Neighborhood Swim Leagues (CNSL) held swimathons - some of which including some of our swimmers in relay events - and raised over $4,000.

The success of our swim program has a lot to do with the relationship that we have had with CNSL and the Columbia Clippers for the past 16 years. CNSL Swim Teams have raised over $30,000 over the 16 years which helps us pay for Howard Community College pool rental and uniforms for our swimmers. We have had over 100 teenage volunteers who were CNSL and/or Columbia Clippers. At the All City Meet on July 29th, Swimming Coordinator...
Allan Waschak presented a plaque to thank the Columbia Association and all the Special Olympic Volunteer Coaches/Unified Partners.

SOMD Features Two SOHO Athletes

Featured in this month's SOMD newsletter and on their [website](http://www.somdhc.org) are two SOHO athletes - Kenny Long and Nick Malouf.

Kenny is SOMD’s Athlete of the Month. Some of you may have seen the video on Facebook of Kenny being told that he has been selected as a member of Team Maryland in powerlifting. Kenny participates in powerlifting, volleyball, basketball, softball, and bowling. He is also a Global Messenger and has participated in two previous National Games - 2006 in Iowa and 2014 in New Jersey.

"When Softball is Yellow and Reminds You of Space Camp" is an article about 25 year old athlete Nick Malouf. Although Nick is someone who thoroughly enjoys being active and does skiing (black diamond trails), yoga, Karate (black belt), cycling, and long distance running, this is his first ever experience playing sports with a team. The article talks about how he and his family have been moved by Nick's experiences thus far and how much happier Nick has been since joining the Special Olympics Softball team.
