'Tis the Season for Thanks

During this time of thanksgiving, we want to take this opportunity to thank all the people who make our organization succeed. We have so many individuals who give selflessly of their time, talent, and treasure so that our athletes can continue to train and compete and achieve their personal bests.

Whether you are a volunteer who works directly with our athletes or one who helps at competitions, you make it possible for us to be the strong, all-volunteer organization that we are today. To our sponsors and donors - through your generosity, we are able to continue to provide a strong training program in 20 different sports throughout the year for over 750 individuals with intellectual disabilities.

We are grateful to be part of such a wonderful organization. Happy Thanksgiving to all!

Fall Sports Wrap Up

FALL FEST:
Tim Yakel and Sam Carder carry the Howard County banner in the opening ceremonies at Fall Fest at Mount St. Mary’s University in Emmitsburg.

CYCLING -

The 2017 Cycling season was very successful. The team enjoyed a full season of riding, with little disruption due to weather. Our athletes competed well in qualifier competitions in Prince Georges and Carroll County, and in our own Howard County qualifier. The season wrapped up with the State competition at Ft. Richie, where Zach Decker was the first Howard County athlete to compete in the newly added 20k race. The team was supported by a great team of coaches and volunteers led by Coach Bill Parlock.
At our end of season party, we bid farewell and thanks to Bryanna Parlock who has been a volunteer with the cycling program since 2006 (when she was 12 years old!). Bryanna, who has also volunteered with the snowshoeing program, is moving to Roanoke for a job as a forensic scientist. Rumor has it that she may make the trip back “north” on some weekends for cycling or snowshoeing practice. She is always welcome and we wish her well in her new job.

DISTANCE RUNNING -

Ten of our athletes competed in various events (5K, 3K, and 1500m) at Fall Fest. Sam Carder honored our cross country team by carrying the Howard County banner at opening ceremonies. Athlete Nicholas Howard won the 5K by a wide margin, crossing the finish line in 20:01! Athlete Evan Jacobs turned in a fast time of 16:14, demonstrating how much he has improved this season. We celebrated our end of season at Ledo's while enjoying a slide show of the many photos taken by parents and volunteers.

SOCCER SKILLS -

Bidding Bryanna farewell are Cycling Coordinator Cheryl Decker, Coach (and Uncle) Bill Parlock, Kevin and Dave Fagan

Four soccer skills athletes - Kai Lambert, Ed Sommerville, Michael Murphy, and David Wei participated in soccer skills competition at the Soccer State Championship in Salisbury. Michael and David won Silver Medals and Kai and Ed brought home the Bronze. Thanks to all the cheering fans who made the competition very exciting and congratulations to all.

TENNIS -

Tennis wrapped up another fabulous season. Head Coach Nancy Van Winter and Assistant Coach Sam Lieber and many fabulous volunteers provided tennis instruction for 39 athletes this season. Howard County hosted a qualifier on September 17th for Level 5 tennis players and then an in-house qualifier on October 5th. Fifteen Athletes and ten Unified Partners participated in Fall Fest. We really enjoyed seeing all the improvements that athletes exhibited this year and our looking forward to next season.

Special Olympics International has secured the following NFL athletes - Aaron Rodgers, DeSean Jackson, Joe Haden and Adam Gettis.

SOMD is thrilled to announce that Joe Flacco has agreed to wear the SOMD logo on his cleats for the December 3rd Ravens home game vs. the Detroit Lions. Thank you, Joe, for representing SOMD and for all the time you have given to our athletes.

Change to Verizon Email Addresses

Starting in February 2017, Verizon will no longer provide verizon.net email service. Verizon has teamed up with AOL to provide verizon.net email customers with AOL Mail. Customers have been notified about the change and given the option to
that you are registered. Remember that athletes must have a valid medical on file prior to the sport season in order to be able to participate in any sport.

TEAM POLICY:
This is a reminder that if an athlete is participating in a team sport this winter (i.e., basketball teams), you must commit fully to that sport. Coaches and teammates count on every member of the team. They must practice and play together to realize their full potential. Therefore, if you choose a team sport, you must be fully committed for the season, including all practice and competition dates.

If a team sport is chosen and these rules are violated, the athlete will not be eligible to play that team sport next year.

Fundraiser for USA Games Athletes

The USA Games-bound athletes are busy trying to raise funds for their expenses. Each athlete has a goal to raise $3,000 to cover their expenses, and we are having a number of restaurant events (see right hand column) to help support them. Another event they are planning will be next Sunday, November 12th. Jean Daniello, mother of tennis athlete Edie Daniello, will be hosting a Touch stone Crystal by Swaroski Party at her home to benefit the athletes. If you are interested in attending, respond to this invitation. If you can’t make the event but would like to order, catalog sales will continue through November 27th. You can access the catalog here. There will also be catalogs in the office.

Looking for Some Holiday Gifts? Merchandise Store Open

In addition to the SOHO merchandise we have in the office for sale (see side column), a winter merchandise store is now open. Items include a winter jacket, fleece vests, warm up jackets and pants, winter hat and scarf. Items can be viewed and ordered here. The store will close on November 19th. ATHLETE SPOTLIGHT: Nate Zahn

SOHO athlete Nate Zahn has been racing with Athletes Helping Athletes for three years. He has done the Maryland Half Marathon, Annapolis 10 Miler, the 10K Across the Bay, and a Duathlon. Here are the pictures of Nate racing with ASA. This is his third year racing with them. He has done Maryland Half Marathon, Annapolis 10 Miler, 10K Across the Bay and a Duathlon this year. He is currently training for a Triathlon. Nate participates in SOHO athletics and basketball.

The mission of Athletes Helping Athletes, Inc. is to connect local special needs athletes with mainstream athletes in a spirit of friendship for their mutual benefit and inspiration. AHA believes that a world of greater acceptance for all can begin with sharing athletic experiences and a love for sport while developing compassion and mutual respect.

VOLUNTEER SPOTLIGHT: Student Volunteers This Fall

SOHO is very grateful for the many student volunteers that assist in our sports programs and other events throughout the year. Here's some that have been active this fall:
Members of the Centennial High School National Honor Society volunteered at the third Volleyball Invitational held on September 30th at the Maryland Junior Sports Center in Jessup. SOHO hosted five teams from Special Olympics Pennsylvania, for this annual event. These student volunteers were a great help. Their enthusiasm was contagious!

This year’s Leadership U team sponsored a Trunk or Treat event at Cedar Lane School on October 27th. There were lots of trunk-or-treats in the parking lot, and games, dancing, and a haunted hallway took place inside the school. Thanks to the Leadership U team for planning this event and to the SOHO Trunk team of Pat and Mary Condron and Adam and Amini Zaidi (shown below giving out treats.)

Celebrating Sponsors and Good Sports

Four members of the SOHO family were honored at the annual Howard County Department of Parks and Recreation Celebration of Sports with Good Sports Awards. Good Sports Awards were created to highlight positive sportsmanship for athletes, coaches, officials, and sports administrators in a community recreation program.

The Timbers at Troy Golf Course and Quest Fitness received the Sponsors of the Year award. By providing training facilities for both SOHO’s golf, powerlifting and fitness programs, free of charge, our athletes have been able to train in quality facilities among other community members for 16 years at Quest and 18 years at Timbers. The value of these combined in-kind donations is valued at over $291,000. We are extremely grateful to both these organizations.
