Photos that were selected as Good Sports Photo Contest winners represent respect, positive leadership, team ethics, and/or dedication in community sports. Marie McGing’s photo of athlete Aaron Thornton was taken during the Basketball skills competition at the Special Olympics Maryland state games in Frederick earlier in the year. The volunteers in the photo showed each athlete kindness and encouragement to help the athletes do their best.

Volunteer Orientations

The next Volunteer Orientation will be held at the SOHO office on Wednesday, November 7th from 7:00 - 8:30 p.m. Anyone wanting to volunteer should attend, especially those interested in volunteering for winter sports. Families who are new to our program, including families in the Youth Athletes Program, are strongly encouraged to attend a volunteer orientation. Advance registration is required by contacting Janet at janetlarrimore@somdhc.org or calling the office (410-740-0500).

The last volunteer orientation for 2018 will be on Tuesday, December 11th.

Why Volunteer?

Did you know that volunteering two hours a week can boost your well-being. Research shows being a volunteer helps combat loneliness which has been linked to dementia. It doesn’t cost anything but your time, and it can reduce stress, improve well-being, and even add years to your life.

"At the end of the day, it’s not about what you have or even what you’ve accomplished...it’s about who you’ve lifted up, who you’ve made better. It’s about
Marie McGing presented her winning photo of Aaron to his parents, Elwood and Jackie Thornton.

**Car Donation Program**

Through the efforts of longtime coach and volunteer, Duke Silvea, Special Olympics can now accept car donations to benefit our program. If you have a car you would like to donate, please contact the office at 410-740-0500 or email info@somdhc.org. We will come and pick up your car, ready it for sale, and provide you with a tax deduction for the amount the car is sold for at auction. Please help us by donating an unwanted vehicle!

**Do you want to be a Global Messenger?**

The best ambassadors for Special Olympics are the athletes themselves! If your athlete wants to help spread the word about our great program, then you may want to attend the next global messenger training session. Athletes will learn how to speak in front of an audience, interact with sponsors and be part of the Special Olympics public outreach. We are hoping to have a training session later this fall or winter. If interested, contact our Global Messenger Coordinator, Marian Williams-

successful on several counts - new athletes, strong competitions, and no injuries! Many thanks to the always reliable coaching staff.

DISTANCE RUNNING: Thirty-two athletes competed at our home event at Lime Kiln Middle School in Fulton on October 14th which included visiting counties of Montgomery County and Fairfax County, Virginia. Fairfax County athlete Khang Le sang the National Anthem a capella. We were pleased to have 28 volunteers helping with the meet. Fairfax County, which sent five athletes for the 5k, had the first runner, followed by Bruce Worley with a time of 21:52, Nicholas Howard in 21:57, and Mark Worley in 22:50. Malcolm Truett was the first finisher in the 1500m in 7:25, followed by 9-year old Alex Wardell. Erika Hagelis was the 3rd finisher (and first female).
SOHO had seven athletes participating in Fall Fest at Mount Saint Mary’s University, including one unified partner and three other volunteers! The 5K event was almost a tie, with Nicholas Howard placing second with a time of 20:58. SOHO had one runner in the 3K, and four who ran the 1500m. Notable was 9-year old Alex Wardell who won a gold in the 1500m with an amazing time of 8:52!

**SOCCER SKILLS:** Two soccer skills athletes attended the state soccer tournament - Martin Sommerville and Harris Littman. Both of them scored some of the best scores at the tournament. We are sorry that Coach Neil Hudson will be leaving our program. Neil has been an outstanding volunteer since 2015 in softball skills, tennis and soccer as well as with our annual Inspiration Walk. He will be sorely missed, and we wish him all the best.

**TENNIS:** Tennis had a challenging start to the season with the first five out of six practices being canceled but we ended it with a bang. We did rally the last half of the season and continued working with all tennis players on enhancing their skills. Seven athletes and 3 unified partners competed at FallFest and had a strong showing for Howard County. In addition, Colin Saylor won gold at Hilton Head in Level 5 singles. Way to go to all that participated!

**YOUNG ATHLETES PROGRAM:** Our Young Athletes Program has continued throughout the fall on
Saturday mornings under the direction of Katie Boggs and Ashley and Matt Murphy. Members of the Leadership U class have also been volunteering as well as raising funds to cover the cost of the program equipment and t-shirts. The fall program will end on November 17th and registration for the spring program (which will run from March to May) will begin in January.

**Protective Behaviors Training**

Protective Behaviors Training is required for ALL volunteers (coaches, unified partners, Area leaders, general volunteers, etc.) and needs to be renewed every three years. It is typically completed at the same time volunteers update their volunteer applications.

Taking the protective behaviors "course" and quiz is fairly quick (10 minutes or so depending on reading speed) and SOMD is sent a notification from SOI for anyone who completes it online.

**Concussion Training**

ALL Special Olympics coaches (head coaches and assistant coaches) must complete a concussion training certification process prior to starting coaching and once every three years. [Click here for more details.](#)
