Click here to register or go to the website, www.somdhc.org and click "Become an Athlete / Register for a Sport". If you do not receive a confirmation email, contact the office. Be sure to save your confirmation email. A reminder that all athletes must have a current medical on file in order to participate in any SOHO activity. These must be updated every 3 years.

Powerlifting and tennis are limited on the number of athletes we can accommodate. Once the number is reached, all subsequent registrants will be placed on a waiting list. Note there is no Fitness program in the fall and Quest training is only open to those who register for Powerlifting and plan to compete at state games.

The fall online registration includes the fall session of bowling, which will run from October to December. Registration for the winter session of bowling (January to March) will open in October, along with other winter sports (basketball, alpine skiing, snowshoe, fitness). Due to capacity at the bowling alley, each
bowling session will be capped at 120 athletes. As in past years, to provide the opportunity for as many athletes as possible to bowl, athletes will only bowl in one session. Athletes whose parents are bowling volunteers or coordinators [for any sport] may bowl in both sessions.

Summer Games Highlights

Opening Ceremonies: Summer Games opening ceremonies was filled with many SOHO athlete representatives. For the first time, delegations filled the stands and 8 athletes and coaches represented our county in the entrance parade into the stadium. The following athletes and coaches represented SOHO: Raven Cato (track), Nate Zahn (track), Ryan Thibaudeau (swimming), Hannah Saltzman (bocce), Steve Miller (bocce), Abraham Sanchez (softball), Quincy Henry (softball), Shirley Duhaney (coach-track), and Mike Saltzman (coach-bocce).

After receiving gifts from their respective departments, the athletes carried the torch to the start line and then continued with those who walked around the lake. Once the runners returned, everyone enjoyed a picnic lunch.
Also participating in opening ceremonies were Alex Barnes (who sang the National Anthem), Edie Daniello (who recited the Pledge of Allegiance) and Chris Schoenbrodt (who carried the torch on one of the final legs toward the lighting of the summer games torch.)

The Peanut Butter Falcon

The Peanut Butter Falcon is an adventure story set in the world of a modern Mark Twain that begins when Zak (22), a young man with Down syndrome runs away from a nursing home where he lives to chase his dream of becoming a professional wrestler and attending the wrestling school of The Salt Water Redneck. Through circumstances beyond their control Tyler (32), a small time outlaw on the run becomes Zak’s unlikely coach and ally. Together they wind through deltas, elude capture, drink whisky, find God, catch fish, and convince Eleanor (28), a kind nursing home employee with a story of her own to join them on their journey. Summer Games Evaluation

Thank you to everyone who has taken a few minutes and provided SOMD with their thoughts on the 2019 Summer Games via our online evaluation survey. (SOMD has heard from more than 400 individuals and would love to hear from more). That survey is still open and anyone wishing to provide a response can do so here. This survey will close on the evening of July 1. (They also provided opportunities to provide feedback through several webinars. That information was sent to all summer games coordinators to send out to all families, athletes and volunteers.)

Your input on what worked well and what needs some additional improvement is critical to SOMD's continued success at providing the best possible experience for the athletes each year. SOMD absolutely reviews all the ratings and read every single comment provided. While SOMD may not be able to implement everything that is suggested, every bit of input is given due consideration - many of the improvements at the 2019 Summer Games were based on input received in last year's evaluation.

COACHES RESOURCES

Special Olympics requires that all of our coaches be certified by taking training classes at least once every three years. SOHO will reimburse any coach who wishes to take any of the online training courses offered below.

Protective Behaviors Training

Protective Behaviors Training is required for ALL volunteers (coaches, unified partners, Area leaders, general volunteers, etc.) and needs to be renewed every three years. It is typically completed at the same time volunteers update their volunteer applications. Taking the protective behaviors "course" and quiz is fairly quick (10 minutes or so depending on reading speed) and SOMD is sent a notification from SOI for anyone who completes it online.

**Sunday July 21st, 2019 (1pm-4pm) "Putting Your Best Foot Forward" LIMIT 10**

For athletes who are interested in leadership but don't want to make speeches. This training will teach the basic etiquette practices for meeting people in group settings like fundraisers and other events. Athletes will learn how to shake hands, make eye contact, introduce themselves and tell a short bit about their own story. And then ask the people they meet some questions. They would sit down with someone at the table and go through the basic steps listed above. A bell will go off and then the athlete rotates through to the next person. It's akin to speed dating but just with a very short elevator speech.
